FAMILY RESOURCE CENTERS

PHP assists individuals and families to be independent and empowers them to achieve a high quality of life. PHP has five resource centers at local schools to reduce barriers to seeking help by making it easy for students and parents to access PHP staff and services. Seniors and other adults without school-age children can access services at PHP's **Solvang Service Center**.

PHP staffs five Family Resource centers. Clients can access PHP services and be linked to services of other agencies right in their own neighborhoods at [Jonata School](#), [Santa Ynez School](#), [Santa Ynez High School](#), [Solvang School](#), and [Olga Reed School](#) (Los Alamos) Campuses. Most Centers are staffed on a part-time basis.

Through these centers families can access services such as food, homelessness prevention, advocacy, Parent Education, Domestic and Child Abuse Prevention, healthcare, and Christmas Fulfill-a-wish.

If you have a flat, call John Kendall at 805-896-0287.
